

Calling All FUMC COUPLES

Saturday, February 13th from 3-5pm
Flint Farmer's Market
300 East First Street, Flint

Grab your partner and your wallet and join us for a night of fun! The game is simple. You will be given 8 inexpensive items to buy from the vendors at the Market. Items like her favorite salty snack, favorite baked good and so on. You have 90 minutes to shop for each other. When you are done you can head upstairs to the Market Tap and exchange gifts or where ever you are comfortable. One at a time you reveal the items you selected and see what your partner picked for you. Goal is to have fun and enjoy a fun afternoon out. If you want to continue the fun upstairs at the Market Tap remember that it is an outdoor venue so dress **very** warm. Blankets are encouraged.

Please arrive promptly at 3pm. Many vendors will begin to close at 4:45pm.
